

CALIFORNIA PARACHUTE CLUB

P.O. Box 1065 - Livermore - California - 94550

Congratulations to **Bill Barker** and **Kent Walker**, winners of the jump tickets at the April meeting.

John Leembruggen has not been seen or heard from since last October and several members have become concerned about him. If you have any information on his whereabouts, please contact **John Mc Allister**.

Bob Hall was back jumping again at the “**Kathy Dause Fan Club**” boogie at Lodi on May 30th. **Stretch** was busy flying loads on one of the two Otters all weekend. **Lee Wilcox**, **Bill Stanley** (with video), and **Kent Walker** got some good dives with **Bill Dause** and Bob. Look Bill’s videos at a club meeting soon.

Several Cal Club **patches** (with the California logo) are still available. If you don’t have one or your old one has become unrecognizable, contact the Secretary and get one now.

Come celebrate Father’s Day at Monterey on the weekend of June 19th. Skydive Monterey Bay has great views and provides plenty of altitude.

Plans are still being made for the World Freefall Convention at Quincy. There’s still plenty of time to get reservations. We’ve got five members slated for the trip now. If you plan on going, let **Theresa Stanley** know so we can all get together for some club fun.
