

CALIFORNIA PARACHUTE CLUB

P.O. Box 1065 - Livermore - California - 94550

Congratulations to **Charloa** (nee **Smith**) and **Bill Burkner**, who were married last month after a lengthy engagement. Our best wishes on your continued happiness!

Bill Stanley will be celebrating his **30th skydiving anniversary** on Halloween, Tuesday, October 31st. Bill says that if you can make the effort to get away from work he will, in appreciation, buy you a jump ticket. **Bill Dause** thinks it's a splendid idea and has built a beautiful new hangar to commemorate the event. As usual, the Lodi DZ will be open on that day and have blue skies. Come early – bring candy!

Organization of the **Christmas/Holiday Party** is being organized by **Charloa** for January 2001. It's a big task and Charloa is seeking assistance from anyone who can help.

The next **Board Meeting** will be a "Veteran's Day" brunch at **Kent & Madalyn's** home, 243 Pinehaven Way, in Pacifica on Sunday, November 12th at noon. Call (650) 359-1227 for directions. Don't get lost in the fog!

The Club is in need of a new "after meeting" place to eat. The Livermore Round Table Pizza has vanished in the rubble of new construction. If you know of a good place to get a bite to eat in town, please let us know at the next meeting.

Nomination of Club officers for 2001 will be accepted at the next General Meeting at Livermore Airport on October 14th.

More reports from the Quincy World Freefall Convention: **Ed Barr** had his canopy rip on deployment but still managed to land it. **Bill & Theresa Stanley** both jumped from a B-17 and a B-24. **Greg Nichols & Picot** also made the pilgrimage to the event.

PIA Symposium in San Diego January 29 – February 2. Contact **Allen Silver** for details!
