The bubble maker was going, the range was open, and the drinks and stories were flowing. What a great time.

Wind Tunnel Info

We have set a date for the Cal Club wind tunnel outing-11:00AM Sunday morning Feb.20, 2005 during the President's Day holiday weekend. Mark it on your calendars now! December 15th, 2004 is the deadline to get your money to Charloa to cover the credit card reservation! For more technical info, go to www.skydiveperris.com and click on wind tunnel. For discounted nearby lodging info, click on "facilities." The motel will require proof of USPA membership at check-in to get the discount, so be prepared. The cheapest place on the list was a bit of a dive with the hardest bed pillows I have ever experienced! I currently have a firm commitment from Ed Barr, the Ogden's, the Stanley's, and Kent and of course, the Barker's-a total of 8 so far. I've emailed the wind tunnel reservations asking for the 11:00AM timeslot, and firmly committing each of the above 7 to fly for 4 minutes each, costing about \$60 per person for that amount of flying time. If you bring your own equipment you won't have to rent theirs, at an additional fee. You'll need a jumpsuit, a hard helmet with covered ears, eye protection, proper footwear and maybe gloves, if you like. Call Charloa (925-447-1624) if you need more info not found at the web site.

Cal Club Holiday Party

Saturday, January 29, 2005 at 5:30PM

This is a potluck dinner; please don't forget to bring your own beverages. Please RSVP/contact Madalyn Drago at (650-359-1227) or at madalyn@crocuta.com to let her know what food dish you can bring. There will be a ham and a turkey and the Stanley's have agreed to bring wine for enjoying with dinner, and we'll all fill in the rest of the meal. The appetizers will be at 5:30 PM and dinner will be served at 7:00PM. The location has changed to Bill and Charloa's house, just a few blocks from the Springtown auditorium at 1316 Hibiscus Way, in Livermore. It will be much easier on Charloa that way, plus we don't have to leave at any set time, nor do we have to cleanup before we can go home for the night. We can have a more relaxed and comfortable party this way, with very little setup involved.
