

CALIFORNIA PARACHUTE CLUB

P.O. Box 1065, Livermore, California 94551

The September 17th BOD at Allen Silvers was a lot of fun including the excellent Santa Maria BBQ. It was attended by James & Enjou, Ed & Shirley, Ken & Charloa, Bill & Theresa, Allen & Nancy, & Mike & Alice. Allen said 20-25 old timers attended a reunion the previous weekend. The extended repack cycle is progressing with the FAA. A few of the BOD meeting regrets follow:

Uncle Zip writes: Sorry, gang, but I won't be there. But I'd like to swing by a Cal Club DZ again one of these days. Unfortunately, travel for me is a bit restricted. I now have six Beagles and the little bastard's are bullying me terribly! Beagles are rotten dogs! If they weren't so cute I'd kill the whole damn lot. U.Z. (editorial: sounds a lot like Peter & his cats).

Terry writes: I am sorry I cannot attend, it's Reno Air Race weekend. TJ (editorial: hope you had fun).

Other Correspondence:

Andrew Sutton writes:

Hello, I'm a friend of Ron Freeze, old member of the CPC. Ron's not doing well, and I'm trying to get in touch with some of his former buddies to arrange some kind of get together. Did you know Ron or know any of the folks he used to jump with or fly with? I got in touch with Jerry Bourquin, who'd like to see him. Thank you, Andrew Sutton
