Shirley and Ed hosted a great party for the May 19th BOD. Ed was recuperating from his recent appendectomy. It was attended by Concha Dias, Ray Dias, Al Silver, Alice Ogden, Ed Barr, Mike Ogden, Lee Wilcox, Charloa Burkner, Bill Burkner, Kent Walker, Madalyn Drago, and Shirley Barr. Shirley's Chicken Fettuccini was excellent. It was reconfirmed that we will attempt to hold next years Holiday Party in January at the same location as this years.

May 20 - Lodi Jump Day

Probably attended by Lee and Kent. Mike & Alice skipped as Mike is still uncomfortable from a recent injury. Sorry to schedule something, and then blow it off. Hope you all had fun anyway.

May 27 - Lodi Jump Day

Sunday May 27 was a Lodi jump day. Bill & I, Lee Wilcox & Bob Hall were there. The weather was very nice and we made most jumps from the Otter and one from the Beech 99. Most of us made 5 jumps and had a really good jump day. Let's go to Lodi more often!

July 1 - Lodi Jump Day

I would like to make Sunday July 1 (my birthday) an official Lodi jump day. Bill and I are planning on jumping at Lodi for the whole weekend. We'd really like it if you can make it.
