P.O. Box 1065, Livermore, California 9455

We would like to thank Theresa for writing most of this newsletter. (We don't enjoy the writing as much as we do editing & distributing).

2007 Birthday BBQ & BOD Meeting: (Editor Notes: I =Theresa)

Bill and I Bob Hall, Lee Wilcox, and Ed and Kevin Barr made it to the Lodi jump day. Ed is using Bill's Triathlon 190 for more gentle landings than his Pilot 150. It's good to have Ed back in the air. As usual, we all had a really good time and want to schedule more jump days at Lodi. The weather was a bit toasty; I understand the previous weekend was perfect (sorry for rescheduling).

2007 Birthday BBQ & BOD Meeting: (Editor Notes: I =Theresa)

We had an excellent turnout for our BBQ. I want to thank everyone who was able to make it, since it is quite a drive for most of our friends. And special thanks for all of the help with the cooking and cleanup afterwards! We had 30 people total, which is one of the largest turnouts. Our skydiving guests included Ed & Shirley Barr, Bill & Charloa Burker, Jim Duffy & Enjou Song, Micheal & Alice Ogden, Allen Silver & Nancy, Madalyn & Kent Walker, Lee Wilcox, Lou Somontes, Mary-Jane, Kaitlan, and Bob Hall, and Dave & Wendy Elliott. My younger brother and his wife, Ed and Patty Haley, also attended. Last March, Bill and I flew to Peru for Ed and Patty's wedding and in April 2007, her travel VISA was approved and she was able to enter the US for the first time. Our non-skydiving guests included co-workers and friends - Roshan Baliga, Rod Swanson, Ken Erickson, Chuck & Joyce Gibson, and Carl & Julie Panter. Thanks to all who attended. We had a great time. Oh, did I blink and miss the BOD meeting? Our cat burglar showed up once our guests had left.

If the World Free Fall Convention had not been cancelled, some of us we would be there right now. I think we will have to schedule a lot more Lodi Jump Days.

June Club Meeting:

The meeting was attended by Ed & Kevin Barr, Mike & Alice Ogden, & Lee Wilcox. Lee won the first jump ticket and Alice the second one. We all went to Mt. Mikes and had a great time.

Calendar: Lodi Jump Day: Saturday August 4th.

General Meeting: Saturday, August 11th 7pm Livermore Admin. Building

Lodi Jump Day: Sunday August 19th

Lodi Jump Day: Sunday September 9th.
