

# CALIFORNIA PARACHUTE CLUB

P.O. Box 1065, Livermore, California 94551

**BOD:** The September BOD was hosted by the Barr's. It was attended by Ken & Charloa, Ed & Shirley, Bill & Theresa, Mike & Alice, Lee & Peter. Kent says howdy, but couldn't attend as he is still recovering, Get well soon Kent.

Bill will check about having the next holiday party at Zaires in Milpitas.

Lee reports that Bill Dause suggested that we show up a little more often. If we don't want to spend money on gas, then just send him your jump tickets.

Again, the Barr's hosted an excellent party. Shirley makes excellent Mexican food.

### Lodi Jump Day - 21 September 2008

Lee Wilcox and Ed Barr made it to the Lodi jump day. Bill and I couldn't make it to Lodi today, but will make it to the October jump day. The weather was absolutely perfect and they jumped out of Bill Dause's new and really fast King Air. They jumped with Skip Hulet and ran into Dave Greninger. The next time you see Skip, ask him about the "shoe dive".

I located some pig bucks that hadn't expired... After the jump day, Bill and I joined Ed and Lee at Famous Dave's BBQ in Tracy for dinner. We tried to celebrate Lee's birthday at dinner, but didn't quite pull it off. For all of you who attended the World Free Fall Convention in Rantoul, you know what I am talking about.

Blue skies and hope to see everyone for the October jump day.
