General Meeting: The General Meeting, Saturday, October 11th was attended by Ed & Shirley Barr and Bill & Charloa Burkner. Charloa & Ed each won a jump. The nominations for officers were closed. An alternative to the holiday party at Zaire's in Milpitas was discussed. It was determined that we may have a larger turnout if we kept the cost down. A potluck of appetizers may be an alternative. Details may follow in the December newsletter. The after meeting social time was cancelled.

Theresa write's: Lodi Jump Day - 25 October 2008

Bill, Ed Barr, Lee Wilcox, and Bob Hall made it to the Lodi jump day. Once again, the weather was great. I was home with a cold. I'll make it to the November jump day. They made between 3 and 5 jumps. One of the jumps was from the King Air and it climbs really fast. Kevin Barr is now doing video at Lodi.
