Theresa Writes: Saturday April 4th, 2009 - Lodi. On Saturday, we went to Lodi to celebrate my nephews' 17th birthday with a Tandem jump. The Tandem jumpers were my sister, her 2 two sons, and 5 of their friends. Bill and I, Lee Wilcox and Bob Hall rode up on the plane with them. We had a total of 8 tandems and 4 fun jumpers. This was their first jump and they had a great time. My nephew also got video, which turned out really nice.
