Theresa Writes: Lodi Jump Day - April 19, 2009

Ed Barr reminded folks about the Lodi Jump Day on Sunday April 19th. Bill and I, Ed Barr, Lee Wilcox, Bob Hall, and Dave Elliott made it. The weather was very good, although no wind. We made between 1 and 6 jumps and had a really good time. Afterward, we ate at Famous Dave's in Tracy and used up the last of the Pig Bucks from the days of the World Free Fall Convention.

Bill's BDAY Party / Meeting

Bill's party is planned for Saturday July 25th, 2009. More details later.
