P.O. Box 1065, Livermore, California 94551

**Tragedy:** Duane Sorenson died earlier this week. He and an instructor, (aka. Tony the Tiger) died when Duane's plane hit a tree. Some news articles are available on line.

Bill Stanley, says it well.

Some details on the crash yesterday.

A little more information at:

It looks like it was Duanne's home-built.

Blue skies big D
