Jump Day Updates: Lodi Jump Day - 12 July 2009

Bill and I, Lee Wilcox, Ed Barr, and Skip Hulet attended the Lodi Jump Day. We all made between 4 - 5 jumps. Jambalaya and red beans and rice are now officially on the banned list of foods the day before a jump day : -). Don't ask...

The weather was good - not too hot. We all had a fun time. Afterward, we met Bob Hall at Famous Dave's in Tracy for dinner. We are all looking forward to the next jump day in August.

Editors note: Thank you **Theresa** for writing the jump day updates. It is greatly appreciated.

His ashes will be on a skydive Sunday, August 9<sup>th</sup> around 1:00 PM. Lee is organizing the jump. Terry is organizing the ground observers. The Burkert's will then offer the comforts of their home that afternoon, to toast and fondly remember Duane after the scattering.

The Stanley's hosted an excellent party. It included a Cal Club meeting prior to the fantastic food.

2010 nominations were opened @ the meeting. Lee turned down a president nomination. All existing officers were nominated again.

Bill volunteered Theresa to check into details on the party room at the 3<sup>rd</sup> Zaires, (Milpitas?) for the annual holiday party. Backup plans, (Silver's friend's restaurant or us).
